PERFORMANCE BY
CHARLIE FARREN!*

All Levels Welcome! (No judgment zone!)

The PRE-JAM Stage: Starting at 6:15, the pre-jam stage is an opportunity before the event starts for tap dancers to try improvisation in a more low key environment. It's a chance for every tap dancer to have a go at improvising, before the main jam gets started at 7pm. Rae will lead newcomers and the nervous in improvisation exercises.
